RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:
The defendant's curfew condition was imposed without the use of location monitoring technology. In
order for Pretrial Services to effectively enforce the condition, we are asking the court to modify the
conditions to permit the curfew to be enforced by location monitoring technology. Additionally, the
defendant is required to travel to the District of Columbia as part of her employment.

Assistant United States Attorney Juliana Murray and defense counsel Luis O. Diaz have been advised
of these matters and the parties consent to the proposed modifications to the defendant's bail
conditions.

I declare under penalty of perjury that the foregoing is true and correct.
